ABOUT FORTUS TEAM GYM

Fortus Team Gym was established in 2011 and in its 9 year history has been awarded 2014, 2016, 2017 & 2018 Boxing South Australia City Club of the Year and 2017 & 2018 Boxing South Australia Overall Club of the Year. In 2018 Fortus Team Gym Fighters won 7 state titles.

Our ambition is to be the most successful boxing gym in South Australia, producing high performance boxers who have the desire and vision to achieve their dreams and goals. Our main focus is to develop and support fighters to compete in the Commonwealth Games, World Games Championships and ultimately the Olympic Games.

The elite team of FTG Coaches, led by Head Coach Owen Hems, have over 20 years of experience and mentor a group of determined boxers dedicated to achieving their professional goals.

Our proudest moments to date include our fighters:

- Becoming an Olympian in the Super Heavy Weight Division at the 2012 London Olympic Games and the World Championships in 2013
- Ranked #40 in the world of Amateur Boxing (75kg)
- Awarded the bronze medal at the 2020 Olympic Test Event in Tokyo
- Competing at the Commonwealth Games 2018, Thailand Kings Cup 2019 and Russia World Championships 2019

The sport has limited available funding; therefore our boxers are not financially supported to participate at the highest level. Many fighters have prioritised training over employment and are supported solely by the club.

We are seeking sponsorships and ongoing collaborations for Fortus Team Gym to support our fighters and coaches realise their goals and take the club to the next level.

Your help and generosity is greatly appreciated and this partnership with us would prove mutually beneficial as your company will receive vast exposure via social media channels, signage at Fortus Team Gym, through our members and their communities, as well as promotions on merchandise and exclusive coaching sessions.
